

15 August 1957

MEMORANDUM FOR: CHIEF, GEOGRAPHIC RESEARCH, OGR

SUBJECT : Geographic Intelligence Report CIA/RR-GR-14/
16 May 1957

1. In connection with the subject report, it is requested that an estimate be furnished of the annual maximum and minimum temperatures that might be encountered at observation points A through M inclusive.

2. It is also requested that an estimate be furnished of the daily variation in temperature at the time of the annual minimum and maximum temperatures.

3. For security reasons, please limit the distribution of any report on this subject. It is suggested that three copies be sent to OSI/NED and one copy to this office. No further distribution is desirable.
